

K-Kids and the Student Council are partnering up with Different Iz Good to help with their Gift a Voice Project! This project helps provide a voice for people with communication disabilities.

K-Kids will be collecting old mobile/smart/droid phones and their accessories, MP3 Players, iPods and Tablet Readers. We will also accept iTunes gift cards, Apple gift cards and monetary donations.

Different Iz Good and the Turning Views Foundation accepts all devices. The Foundation recycles the iPhones, iPods and iPads for the Gift a Voice Project. <http://differentizgood.org/gift-a-voice/>

All other phones and equipment are traded in towards usable devices.
